was and were

O "was" é usado para o singular ou seja (I, you, she, he, it)

O "were" é usado para o plural ou seja (we, you, they).

was and were

My mother was ill. they were angry.
 you were bored. She was very tall.
 The weather was cold. We were late.
 The children were excited.
 My parent were proud. you were tired.
 My friends were happy. I was sleepy.
 The pizza was delicious.
 The dog was angry. It was very rainy.
 The coffee was hot. The car was scored.
 you were tired.

past simple

- Regras:
- quando acaba com vogal + consoante + vogal + consoante - dobramos a última consoante + ed
 - se acabar em y e antes uma consoante tiramos o y e colocamos + ied
 - se acabar em y e antes uma vogal acrescentamos (ed). O resto varia.
